Semester Goals

Functioning quiz for Anatomy and Physiology II students by finals week

Desired Features

Questions
- Images/Diagrams
- Comments/Answer explanations/References/Hints
- Set expire date (one year in case course content changes)

Quiz Page
- Click on question rather than radio button
- Countdown Timer
- Mix multiple categories into one quiz
  - Enter in all current courses, for example

Ranking
- Speed of answers
- Relative question difficulty

User Tracking
- Performance by category
- Ranking quick reference by category
- Time spent on site
- Badge system
- Reviewing tracking
  - like Overwatch system in CS:GO
- Year (P3, etc)

Categories
- Classes
  - Organize within class by topic
  - For Anatomy and Physiology
    - Tag by systems (circulatory, nervous, etc)
- Separate tag for CE
- Allow retroactive tagging

Flagging
- General flag page for questions, with text box for explanation
- Around 2 flags to auto pull question from circulation

Login
- Separate login system
- eventually integrate into Pitt login system
